

WE ARE HERE TO HELP YOU

# REDUCE THE RISK OF INJURY

## Repetitive heavy lifting

is known to cause muscular and skeletal injuries, costing the hotel industry millions of dollars in lost work days and legal claims.

## Injuries Are Preventable.

With heavier luxury beds and plush bedding, new updated ergonomic tools are necessary to help prevent injuries.

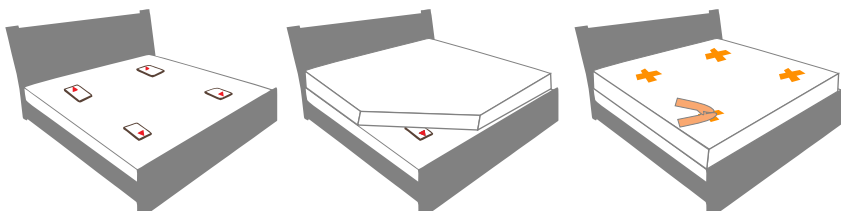

## We have the solution!

The Magic Mattress Assist

The Assist is placed in each corner of the bed between the mattress and the box spring. The Assist reduces the weight of each mattress corner when doing bed turnovers.

Simply pop up the mattress corner, tuck the sheets and press down on the corner to collapse the Assist.

LOAD IT LEAVE IT LOVE IT

# SIMPLE AND EASY SOLUTION

OUR SOLUTION IS TO REDUCE THE WEIGHT

## It's Simple Math:

If one corner of a mattress weighs 20 lbs and your staff lifts it 4x per bed and they change 25 beds per day, they are lifting

2000 lbs (1 US TON)  
per day per employee.

The **Magic Mattress Assist** can reduce that number down by 75%, to 5 lbs per corner.

The **Magic Mattress Assist** provides an immediate reduction of  
1500 lbs per person, per day!

A simple and easy solution that will help reduce the risk of injury.

Resulting in quicker, easier and safer bed turnovers.

# COST EFFECTIVE SOLUTION

**The Magic Mattress Assist** is your cost effective solution to changing flat bed sheets.

**The Magic Mattress Assist** is an ergonomic safety tool that is placed in each corner of the bed between the box spring and the mattress.

**The Magic Mattress Assist** is revolutionary quality product can be attached to the box spring or platform to avoid theft and only requires 4 units per bed.
